

Revitalizing the Sacredness of being thankful in Christ

Share one happy Thanksgiving memory.

Share one thing you are thankful for in one member of your Life Group.

Read Colossians 3:1-17, Philippians 4:4-9 and Psalm 100. What are the commands given? What are the reasons given for those commands?

Read Ephesians 5:20 and 1 Thessalonians 5:18 and discuss the meaning of the preposition words "in" and "for" in regards to thanksgiving.

How does the giving of thanks affect your soul?

How does giving thanks bring glory to God?

How does giving thanks guard our hearts?

Pray for God's work of bringing new life through thanksgiving in each member of your Life Group.
